KENTUCKY REPUBLICAN PLATFORM.

Adopted at Louisville, Aug. 19th, 1897.

Resolved, by the Republican party in Convention assembled—

First.—That we reaffirm the principles of the Republican party as set forth in the platform adopted by it at St. Louis in 1860.

Second.—That we endorse the Republican National and State Administrations, and especially commend the action of our present state officials in their efforts to suppress mob violence and to preserve the financial credit of the state.

Third.—We commend the action of the representatives of the Republican party in the passage of a tariff bill which will raise revenue sufficient to support the Government, prevent the issue of interest-bearing bonds, protect American labor and maintain the National credit.

Fourth.—We are opposed to a system of Civil Service that builds up an official class with practically a lifetime tenure in almost all branches of the public service, and we demand that the Civil Service Law be modified so as to limit the term of service to four years, with the privilege of reappointment or promotion, subject to such restrictions as will secure competent officials and give to every position of the country its proper proportion of merit.

Fifth.—We heartily sympathize with the struggling people of Cuba in their efforts to secure liberty and independence.

Sixth.—That we recommend to the people the adoption of the Constitutional amendment submitted by the last Legislature, allowing cities and towns the privilege of regulating their city and town expenses.

Seventh.—We favor the passage of a law that will protect the laborer of Kentucky from the competition of convict labor, and necessary to accomplish said result, an amendment to the Constitution permitting such legislation.

"The best way to get rid of a bad law is to enforce it."—General Grant.

Therefore THE LEDGER favors the right enforcement of the Civil Service Law.

RACING TOURISTS.

National Circuit closed at Louisville—Nat Butler carried off the honors.

LOUISVILLE, Ky., Oct. 14.—Wednesday night closed the engagement in Louisville of the national circuit of racing tourists. It was most decidedly Nat Butler's day. He succeeded in lowering the record for a mile in a handicap race by three and two-fifths seconds; he won the two mile open race and ran second in the half-mile race, all in three starts. He accomplished the record feat of one mile in 2:00.3 in the second professional event, which was the one mile handicap. Among those who qualified out of 59 starters for the final of this event were Hadley, of New York; Con Baker, of Ohio; Akers, of Philadelphia; Watson Coleman, of Boston; Seaton, of Louisville; and Fred C. Hoyt, of Cambridge, Mass.

The men rode like fiends from the start. Coming into the stretch they all seemed to be on a par, but Butler flashed across the tape, closely followed by Fred Hoyt, who only beat him by the shortest of margins for third place.

Among the amateurs, Middendorf, of Louisville, succeeded in defeating Peabody, of Chicago.

FEVER SCARE.

A Sick Man Put Off a Train—Mayfield, Ky., Nearly Caught in a Haystack.

MAYFIELD, Ky., Oct. 14.—An unknown man trying to make his way from Memphis to Louisville was put off a train here Wednesday. He was later found lying near the cemetery unconconscious. He was taken to the hospital and revived, only to rave about yellow fever. A panic ensued and he was at once removed to a rule stable. Soon a mob of armed men charged upon the stable with the intention of burning it and the sufferer to prevent the spread of the supposed yellow fever. The owner of the stable, with leveled revolvers, ward off the mob, and the sick man was rushed by physicians who found he was undergoing chills and malarial fever.

LUMP JAW.

NINE DEAD.

A New Orleans Record Breaker In the Number of Fatalities.

Thirty-five New Cases of Yellow Fever Reported by Health Officers.

Concomitant, Neglect and Rebellion Against the Authority of the Board of Health Makes it Difficult for Physicians to Give Proper Attention to Cases.

NEW ORLEANS, Oct. 14.—Wednesday was the record smasher in the number of deaths in a single day from yellow fever since the sickness was first reported in New Orleans. It is difficult to find the cause except the fact that concomitant neglect and rebellion against the authority of the board of health have made it difficult for the physicians to give proper attention to cases. At 7 o'clock yesterday evening there had been nine fatalities reported during the 24 hours. Heretofore the highest number of deaths in any one day has been six.

At the board of health yesterday there was some discussion as to whether the disease had assumed suddenly a more virulent form or whether an aggregation of circumstances had set up the list of deaths. Prominent doctors say they do not believe the disease has become more malignant in type. They believe that the fact that on some days there has been four or five deaths, on succeeding days no deaths, and then four or five again, goes to prove that the fever has been an eccentric behavior as it is now.

Among the deaths reported some are of the better class of people. Edward C. Ray, aged 16, lived with his mother, who kept a fashionable boarding house on Perdido street. Another death was that of Antonio Corrajo, the agent of a steamship line running between New Orleans and Havana. He was a native of Italy and since the fever appeared has been among his countrymen. On the 10th of the month he was called in to see him. He had then been sick for three days. He died Wednesday morning. Two deaths were reported in the Touro infirmary. The cases had not originated in the institution, but had been removed thither from other places in the city. There was also reported in the isolation hospital. One of the deaths in Wednesday's record occurred about 10 o'clock Tuesday night, after the close of Tuesday's bulletin. The others were reported at different hours Wednesday.

The board of health officially reports cases of yellow fever Wednesday, 31 deaths Wednesday, 9; total, 40. Yellow fever to date, 23; total, 63. From yellow fever to date, 77; total cases absolutely recovered, 393; total cases under treatment, 260.

MONTE, Ala., Oct. 14.—Seven new cases in the city proper and six brought into the city from Magazine Point, 13 miles out, make up the record of Wednesday. Eight recoveries are reported; no deaths for the past 72 hours.

Total cases to date, 142; deaths, 30; recoveries, 80; remaining under treatment, 48.

NEW YORK, Oct. 14.—Plans contemplating the investment of from \$500,000 to \$1,000,000 by eastern capitalists in sugar refineries here have been consummated here and an agreement has been signed by 100 farmers pledging themselves to plant 1,000 acres of sugar beets for the purpose of supplying the material to these factories and refining with which to carry on the business. It is expected that a sugar refining business amounting to a million and a half will be established in this state.

CHICAGO, Oct. 14.—Somewhere between Omaha and Denver a package containing \$14,000 has been lost. The money was sent by the First National bank by a bank in Chicago to a financial institution in the west. Inspector Stuart can trace the money westward from Chicago only as far as Omaha, at that point all records of the fortune are lost.

Re-Sentinel Robertson Dead.

COLUMBIA, S. C., Oct. 14.—Ex-United States Senator Robertson died in this city Wednesday. He was senator from South Carolina under the reconstruction regime and was succeeded by ex-Senator Butler. Mr. Robertson had been paralyzed for years. His estate is estimated to be worth nearly a million dollars.

Nine Prisoners Escape.

SAVANNAH, Ga., Oct. 14.—Admiral just received from the Georgia coast that nine desperate prisoners escaped from their county jail in Savannah yesterday. Within thirty minutes their escape was detected and a squad of bloodhounds was on their trail.

The Atkinson Jury Failed to Agree.

GLENNVILLE, W. Va., Oct. 14.—The jury in the case of Mrs. Geo. Atkinson, charged with forgery, failed to agree for acquittal and a new trial was granted. There will be a new trial unless the court should grant a possible request from the prosecuting attorney for a nolle prosequi.

Train Robbers' Heavy Sentence.

PORTLAND, Ore., Oct. 14.—Geo. Jackson and Charles Williams, who held up Oregon Railway and Navigation Company train seven miles from this city two weeks ago, have been sentenced to 30 years each in the penitentiary by Judge Soren.

MISS CISNEROS

Steps Upon the Soil of Free America at New York.

The Cuban Beauty Suffered Considerably From Sea-Sickness.

Her Escape From a Cuban Prison and Arrival on the Seneca One of the Most Dramatic Events Ever Attempted and Successfully Carried Out.

NEW YORK, Oct. 14.—Evangeline Cosío Y. Cisneros, who recently escaped from a Spanish prison in Cuba, was a passenger on the Ward line steamer Seneca, which arrived Wednesday morning at New York. Miss Cisneros said to be excited from saying anything about her imprisonment and escape, as she has not yet recovered from sea sickness, from which she had suffered during her entire passage, and which kept her in her stateroom during the whole voyage.

On the passenger list she was registered as Miss Juana Sola. She was traveling under a false name, a gentleman, who accompanied her from Havana. When the Seneca reached quarantine the towboat playing, John Carson, a member of the press, and four women, went alongside the ship, and after the health officers' examination was over they went on board and asked Miss Cisneros to this city.

Martin responded with a back-hand blow over the heart and Carson dropped dead in his tracks. The institution objected to his being accepted for parole. Martin, who is but 14 years old, is held blameless, inasmuch as the blow was struck in self-defense.
